ANNUAL EXAMINATIONS - (APRIL/MAY, 2009)

DATE-SHEET FOR B.Sc. (GENERAL) PART-I, II & III AND PARTS-I/II & III (SIMULTANEOUS) OLD COURSE (Admissions of 2004 & before)

Time of Commencement : 9:00 AM

SUBJECT	PART	PAPER	DESCRIPTION
---------	------	-------	-------------

11th April, Saturday

Matho-Physics	I	I	Properties of Matter and Thermal Physics
Operational Research	I	I	Essentials for Operational Research-Statistics (for the students of B.Sc. Mathematical Sciences only)
Physics	I	I	Mechanics
Statistics	I	I	Statistical Methods-I (for the students of B.Sc. Mathematical Sciences only)
Zoology	I	I	Animal Diversity-I (Non Chordata)

16th April, Thursday

Computer Science	II	III	Object Oriented Programming
------------------	----	-----	-----------------------------

17th April, Friday

Chemistry	III	VII	Inorganic Chemistry (2 Hours)
-----------	-----	-----	-------------------------------

18th April, Saturday

Mathematics	III	V	Real Analysis
-------------	-----	---	---------------

20th April, Monday

Computer Science	I	I	Programming Fundamental & Data Structure
------------------	---	---	--

21st April, Tuesday

Matho-Physics	II	III	Waves and Oscillations
Operational Research	II	III	Inventory Systems & Marketing (for the students of B.Sc. Mathematical Sciences only)
Physics	II	III	Waves and Oscillations
Statistics	II	III	Statistical Methods-II

22nd April, Wednesday

Chemistry	III	VIII	Organic Chemistry (2 Hours)
-----------	-----	------	-----------------------------

23rd April, Thursday

Computer Science	I	II	Computer Organisation and Operating System
------------------	---	----	--

24th April, Friday

Matho-Physics	II	IV	Mathematics-II
Operational Research	II	IV	Optimisation-II (for the students of B.Sc. Mathematical Sciences only)
Physics	II	IV	Electromagnetism
Statistics	II	IV	Applied Statistics

25th April, Saturday

Chemistry	III	IX	Physical Chemistry (2 Hours)
-----------	-----	----	------------------------------

27th April, Monday

Mathematics	I	II	Calculus
Zoology	I	II	Developmental Biology & Evaluation

DATE-SHEET FOR B.SC. (GENERAL) PART-I, II & III AND PARTS-I/II & III (SIMULTANEOUS) EXAMS. APRIL/MAY-09

SUBJECT	PART	PAPER	DESCRIPTION
---------	------	-------	-------------

28th April, Tuesday

Computer Science	II	IV	Computer Networks & Internet
------------------	----	----	------------------------------

29th April, Wednesday

Mathematics	III	VI(i)	Mechanics
	III	VI(ii)	Statistics

30th April, Thursday

Mathematics	I	I	Algebra
Botany	I	I	Plant Diversity-I

1st May, Friday

Mathematics	II	III	Geometry
-------------	----	-----	----------

2nd May, Saturday

Computer Science	III	V	Database System
Industrial Chemistry	III	VI	Polymers

4th May, Monday

Qualifying Papers			Hindi (NC- Admn. of 2000 & after)/ History of Science & Scientific Methods/Accountancy/Economics (for the students of Mathematical Sciences only)/ Digital Electronics (for the students of Math. Sc. Only)
-------------------	--	--	---

5th May, Tuesday

Chemistry	II	IV	Inorganic Chemistry (2 Hours)
-----------	----	----	-------------------------------

8th May, Friday

Matho-Physics	III	V	Electromagnetism & Electronics
Operational Research	III	V	Queuing Theory & Reliability
Physics	III	V	Atomic Physics
Statistics	III	V	Statistical Inference

11th May, Monday

Qualifying Papers			English Stream A/English Stream B/English Elective
-------------------	--	--	--

12th May, Tuesday

Matho-Physics	III	VI	Mathematics-III
Operational Research	III	VI	Statistical Quality Control and Forecasting
Physics	III	VI	Quantum Physics and Electronics
Statistics	III	VI	Sample Survey & Design of Experiments

13th May, Wednesday

Chemistry	II	V	Organic Chemistry (2 Hours)
-----------	----	---	-----------------------------

14th May, Thursday

Computer Science	III	VI	Multimedia System and Application Operating System
------------------	-----	----	--

15th May, Friday

Mathematics	II	IV	Vector Calculus & Differential Equations
-------------	----	----	--

DATE-SHEET FOR B.SC. (GENERAL) PART-I, II & III AND PARTS-I/II & III (SIMULTANEOUS) EXAMS. APRIL/MAY-09

SUBJECT	PART	PAPER	DESCRIPTION
---------	------	-------	-------------

16th May, Saturday

Chemistry	I	I	Inorganic Chemistry (2 Hours)
-----------	---	---	-------------------------------

18th May, Monday

Botany	I	II	Cell Biology & Genetics
Matho-Physics	I	II	Mathematics-I
Operational Research	I	II	Optimisation-I (for the students of B.Sc. Mathematical Sciences only)
Physics	I	II	Thermal Physics
Statistics	I	II	Probability (for the students of B.Sc. Mathematical Sciences only)

19th May, Tuesday

Chemistry	I	III	Physical Chemistry (2 Hours)
-----------	---	-----	------------------------------

20th May, Wednesday

Chemistry	I	II	Organic Chemistry (2 Hours)
-----------	---	----	-----------------------------

21st May, Thursday

Chemistry	II	VI	Physical Chemistry (2 Hours)
-----------	----	----	------------------------------

Delhi, the 5 March 2009
